

New Morning Routine

The children have settled well into their new morning routine. The children now arrive at school and go straight into their classrooms.

We have already noticed a calmer transition for the morning, making the cloakroom area less congested and learning time is maximised.

Homework

Thank you for your support. The diary entries have been fabulous and the children have enjoyed sharing their work to the class.

Times Table Rock Star - Soon your child will be given a log in for a fun online interactive maths game. We will be playing the game in school too.

Spelling homework - We are really pleased with the children's understanding of spelling rules and patterns. Keep up the brilliant work!

Monday—New spellings sent home. Spelling test is completed on the following Monday.

Friday—Maths mental maths homework is sent out. To be returned on Tuesday.

Regular reading is encouraged. If possible, we would like your child to read some of their book every day. Organising a routine is the key to regular reading.

Class Assembly

We are looking forward to showing you the things we have learnt.

Your child will be allocated a part. Please could you help your child to learn their lines so that your child is ready for all the rehearsals.

Please note that class 6's assembly is on 24th January.

Theme—Bright Lights, Big City

Over this half term, the children will be comparing cities. They will be making food art city pictures and learning about historical events. The children will be learning about the Great Fire of London and we will be incorporating art, English, DT and ICT work within this topic.

Our focus book for the half term will be 'The Bear and the Piano' written by David Litchfield. This story is set in New York. We will be writing our own stories using the wonderful language from the story.
