

# YEAR 6 NEWSLETTER

## World War II

The main topic for Year 6 this term is World War II. We will be looking at when the war began and the reasons for the initiation of it. Throughout this topic, we will study how the war affected people's lives at home and away at war, in the trenches, as well as the events which influenced how Britain went on to win the war.

In maths this term, we will be learning about algebra, statistics, volume, scaling and completing revision for the upcoming SATS tests.

During reading and grammar sessions, we will be focusing on revising topics that practice tests have shown us the children are unsure of. We will also be beginning our writing after the SATS tests have been completed. These will be based on a variety of topics and genres. All children have been given new targets to work to and a copy will be sent home.

**KS2 Year 6 SATs Test Dates 2019**

<b>Monday May 13th 2019</b>	
SPaG Test - Grammar/Punctuation	45 mins
- Spelling	20 mins
<b>Tuesday May 14th 2019</b>

Maths Paper 1 (Arithmetic)	30 mins
Maths Paper 2 (Reasoning)	40 mins
<b>Thursday May 16th 2019</b>	
Maths Paper 3 (Reasoning)	40 mins

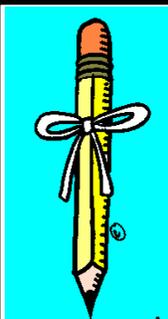

### Revision

Many thanks for your continued support this year. The SATS tests are nearing and we are beginning our revision. Please could you encourage your child to complete some revision at home and use revision club (Thursdays 12:00 to 12:30pm) to look at areas they feel unsure of. Good revision topics are fractions, rounding numbers, written methods, calculations involving negative numbers and shape. To ensure the well being of your children, we will be encouraging time for relaxation and play as an important and essential part of the run up to SATS. We would like to ask for your support in this by ensuring your child has had enough sleep each night to help their focus and concentration. Please could you also encourage your child to refrain from late-night screen time. Nutritional fuel is also important so please could you encourage your child to come to school having eaten breakfast to again help with their concentration. Many thanks.

### Sleepover Time!

One of the rewards for Year 6 is the Sleepover. This year, this event is taking place on the 8th June and places will be given on a first come-first served basis. However, as this is a reward for the children's hard work this year, when places are allocated behaviour and attitude towards their final year at primary school will be taken into consideration.

### Homework Reminder

Much of this terms homework will be related to revision topics and transition activities after all SATS tests and writing tasks have been completed. There will be a piece of research homework, set over the May half term, that will feed into one of the children's writing tasks so please watch out for that.

### Dates for the diary

- 2nd May—Polling Day— Year 6 in school
- 6th May—Bank Holiday
- 13th-17th May—SATS Week
- 22nd May—School Group photographs
- 23rd May—Polling Day—Year 6 in
- 24th May—Sponsored Walk
- 24th May—Non-uniform day
- 27th-31st May—Half term
- 3rd June—INSET Day
- 8th June—Year 6 Sleepover
- 24th June—Sports Day
- 9th July—SATS results Day
- 3rd July—Parents PHSCE video viewing day
- 16th July—Transition Day
- 17th July—Leaver's Party
- 19th July—Leaver's Assembly

Games in Year 6 will be on a Friday afternoon—please ensure your child has a named kit in school at all times.

Please continue to read and discuss what has been read with your child.
