MAT Year 6 Project

Dear Parents/Carer,

A joint project has been organised where the children in Year 6 across all the schools in the MAT will learn a song supported by Pop UK in order to celebrate their memories of primary school as well as look ahead to their transition to secondary school. These are a national singing project that the children have enjoyed working with in school previously. The plan is that they then record a video of them singing (so children in school and at home can all take part) which will be turned into a video montage to celebrate their end of primary phase.

Rachel from Pop UK will lead a Zoom session for all of the Year 6 children from Outwoods on Wednesday 1st July. Those of you at home can access this session via the link
<https://us02web.zoom.us/j/89128843491?pwd=OS9TK1M3MmhKTE9Yc2p3aVRhWldnUT09>
We will send the link out via text one hour prior to the session starting.

Once the workshops have taken place, the children in school will film themselves singing the song and doing the actions. I apologise for the quick turnaround but we ask that the children at home film themselves and email their videos in to school by the end of the school day on Friday 3rd July to year6popuk@outwoodsprimary.com

We hope that the children enjoy the project, which will provide them with an opportunity to come together, celebrate the end of their time at primary school, and produce a memento of this.

Thank you one again for your support – it is much appreciated!

Kind regards,

R. Winter
