

Video montage

The Year 6 children have been asked to film themselves showcasing their talent or alternatively sharing a memory. Video clips are now over due. Please can you make sure that you send these asap to Mrs Baxter's google email address:

To look forward toYear 6 Party in the Field

We are going to hold a socially distant party/picnic on the school field for the children in the autumn term. The children will need to bring their own picnic and will have their own designated area on the field. But there will be music and the opportunity to see everyone once again. Date to be confirmed in September.

Leavers' Hoodies

The leavers' hoodies have been ordered and ParentPay has now been set up to make your payment of £10. We are hoping for them to be available when the children are presented with their autograph books.

Collection of belongings

All of the children's belongings, including P.E. bags and old exercise books will be made available when the children come to school for the presentation of their autograph books (Wednesday 15th July 4pm).

Year 6 2019-20

Transition activities

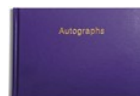

Smart Moves - Year 6 will be starting the Smart Moves transition book this week so look for links and information on google classrooms so that you can work alongside those in school.

Secondary schools— de Ferrers have posted information on their website using the link www.deferrers.com/transition. To receive all information from John Taylor Free School make sure you have downloaded the SZapp and join the cohort of 2020.

Autograph books

The slips for the autograph books are now overdue. There is a box outside of the main door (or in the reception area if the weather is not fine). Please ensure that your child has written a message to all their fellow members of the year group.

There will be a presentation of these to the children on Wednesday 15th July at 4.00pm.

Sex education

After much deliberation, The Trust have taken the decision not to offer sex education to our Year 6 children this year. Due to the circumstances we find ourselves in, and with the majority of the cohort being at home, it is felt that we could not deliver this in the best way for the children or ensure the safety of all online. We will therefore make sure that we liaise with secondary schools so that they are informed of this gap in the children's education.
