

Dear children

I really enjoyed meeting you all on the Zoom chat. I can't wait to start the new school year with you; I am so excited!

In September, we will be learning all about the weather and animals. I promise to make your learning fun and I hope you will love learning in our new classroom. Our classroom has lots of space and we have an outside area just like Class 2. Your new class is called Class 4 and we have lovely Miss Magee with us. You will have playtime in the big yard with your friends and you will be able to see the children from class 3 (Miss O'Donnell's old class).

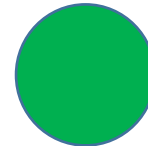

I love children's stories and I have my own library of books, as I said on my video I aim to read to you every day - sometimes a story, sometimes information from a non-fiction book, sometimes a joke and sometimes a poem.

Here is one of my poems for you to read with your family.

The first day of Year One
Not sure what's in store
A brand new teacher
And a whole lot more.

I have so many questions
About how this year will be
A brand new adventure
Let's take a look and see.

We'll learn about dinosaurs
Make a superhero cape too
Have adventures outside
And learn about the moon mission crew

Sketching with different pencils
And clever mathematician we will be
Learning about the weather
Just you wait and see!

Have an amazing summer and I will see you in September for lots of fun.

Love Mrs Atkinson
