

Hello Class 13,

My name is Mrs Clark and I know you are all familiar with me as I have been working in your year group in the afternoons for a couple of years. I wanted to tell you that I will still be working in your class in Year 6.

Although I will be mainly working with the same children that I worked with last year, I will be involved in the lessons that you do and I am really looking forward to it.

I have worked in year 6 for the last 2 years and I think you will really enjoy it. It is a very exciting year with many fun activities as well as lots of learning. I know things might be a little bit different this time due to all the safety measures we have to have for COVID 19, but we will all try our very best to make sure it is still fun for you.

I am looking forward to seeing you all again after such a long time and I cannot wait to get started on such an important year.

Have a fantastic summer!!

Mrs Clark.
