2nd March 2017

To all parents, carers and staff

With considerable regret I am writing to inform you that due to the constant misuse of the school car park at the end of the day by unauthorised drivers, the resultant damage to cars and dangers to adults and children; the white car park barrier will be locked preventing access from 2.30pm until 3.30pm each day.

This means that from Monday 6th March only staff with keys will be able to access our private car park during these hours and car park passes issued to non-staff will not be valid.

I am very sorry that these measures have had to be taken due to the dangers presented by a thoughtless and inconsiderate minority of unauthorised drivers. I would also like to point out to these drivers that they may not use the private de Ferrers car park as an alternative parking location.

I am very aware that these measures will upset and inconvenience law abiding visitors and staff alike and I sincerely apologise to all for whom this causes a problem. However, I have a duty to put the health and safety of students and staff as my top priority. I hope that you will understand and appreciate why these measures have had to be taken.

Yours sincerely

Mrs L Wells
